

## Myat Reducers to 7-16 DIN, 50 Ohm Power Ratings

**Standard Conditions:**

**Production Test Voltage:** 4.9 kV DC

**Peak Power Rating:** 29 kW, Based on Production Test Voltage, dry air at sea level atmospheric pressure and includes a safety factor of 2.

**Average Power Rating:** Ambient Temperature 40 °C (104 °F), Inner Conductor Temperature 100 °C (212 °F), Dry Air, Sea Level Atmospheric Pressure, VSWR 1.0
